\* Surplus

The Town debt shows a reduction of \$4,664.49, but part of this is due to the change in the manner of raising money for school purposes. In the past the Selectmen have carried all school money in their accounts, but the past year the Board of Education has borrowed \$3,000, and this is carried as a School District Debt.

MILAN A. DICKINSON, Auditor.

### REMARKS

We wish to again call the attention of the parents to the medical inspection and urge them to follow up any recommendations made as by so doing many defects and diseases of children can be permanently cured, which if left to develop may place a severe handicap on the child in after life.

The state laws demand certain sanitary arrangements in lighting and heating and a good start in this direction has been made in the school buildings. The Swanzey Factory building badly needed repair and last summer it was put in first class shape so that now it is up to the standard set by the state. The heating system will need major repairs or renewal in a short time.

The boiler at the Cutler School which has long been in very bad condition finally went to pieces. We were fortunate in being able to get a new and better one and having it in place and in use in a very short time.

Our corps of teachers under Mr. Smith, superintendent, are doing very efficient work and we feel sure that the pupils will show marked improvement over previous years broken as they were by sickness and changes in teachers.

A. W. HOPKINS,  
SADIE D. CARLTON,  
H. W. BROWN,

School Board.

## SUPERINTENDENT'S REPORT

---

To the Board of Education and Citizens of Swanzey, N. H.:

I have the honor to submit my first annual report.

Under the provisions of the new law, the state was divided into 64 supervisory unions and Hinsdale, Swanzey, Winchester, Richmond form Union No. 25. Mrs. Sadie D. Carlton was elected secretary.

The teaching force for the present year is as follows:

Cora I. McKellips, grades 7-8.

Margaret E. Glendon, grades 5-6.

Dorothy Emery, grades 3-4.

Gertrude L. Landin, grades 1-2.

Mrs. Alice D. Matthews, No. 1, Grammar.

Gertrude Kingsbury, No. 1, Primary.

Vesta Knight, East Swanzey, Grammar.

Ethel Murphy, East Swanzey, Primary.

Mrs. Grace Carlin, No. 5.

Blanche Emery, No. 7.

Florence Christian, No. 9.

Mrs. Grace Carlin resigned at the Christmas vacation and Miss Charlotte Seaver was secured for school No. 5.

The Board were fortunate in recognizing there would be

a continued shortage of teachers and demand for increased salaries, and early in the season filled the vacancies with teachers of marked ability. The school work suffered few interruptions and made steady progress to the mid-year. Since that time the weather and the epidemic has caused the schools to close. We hope this time lost can be made up during the school year.

In reporting the condition of the school equipment to the State Board of Education who are making a survey of the state, we found the property of your district in excellent shape. A few minor changes and a policy of one building a year remodelled, to improve lighting and sanitation, will enable your town to comply with all conditions of state aid. The school building at Swanzey Factory has been remodelled so that it comes under state requirements in every respect, the first one in the union. For the coming year we suggest No. 5 be improved.

A new Westfield furnace of the type used in the Keene High school building was installed in the Cutler school during the Christmas vacation.

The school gardens closed a successful year by exhibitions of garden products. One deserving special mention was at School No. 1.

The Thrift campaign is one of the regular activities of the schools, but there is a marked decrease in interest since the war ceased. There is great need at this time to emphasize thrift, for as a nation we are spending prodigally.

The pupils of the Cutler Building did excellent work selling Red Cross Stamps and a Health Bond was purchased by the pupils of this school.

From the proceeds of an entertainment, pictures and Victrola records have been purchased for the building. In East Swanzey primary, the children have started a school library, raising the money by their own efforts. All these endeavors are indications that the children are preparing to be good citizens.

The epidemic caused many cases of vaccination to be omitted last year through the whole union, but with the cooperation of the parents and medical inspection, this situation was fully remedied.

We wish to express our appreciation of the efforts of teachers and Board of Education in striving to make the schools of Swanzey the best possible.

Respectfully submitted,

GEORGE O. SMITH,
